*It is all in our hands to make
our country safe, secure,
inclusive, peaceful and harmonious.*

No forums and no teach ins, just a chance for all human beings to know each other a bit better in a safe environment to break down all the barriers and to erase fear caused by ignorance. Just one rule to follow, nurture old friendships and sow the seeds of new ones.

You bring your family, friends and chairs, and we shall provide **FREE Pakistani DINNER**, kids activities, and cultural experience.

Most importantly we would like you to share your vision of our beloved, peaceful and inclusive nation through poems, essays, songs, skits or spoken words.
