It is all in our hands

Let us spread the miracle movement of peace and friendship by getting to know each other a bit better. We can nurture old friendships and sow the seeds of new ones by joining hands to build an inclusive, harmonious and peaceful world.

No forums, teach-ins or speeches. A special treat for activists to relax and enjoy the company of family and friends. Please bring a chair and good appetite and we will provide a **FREE Pakistani dinner**, warm discussion, kid's activities and a cultural experience you will remember.
