## *It is all in our hands*

Let us join hands and walk on the path Martin Luther King Jr. paved for us. Please join our “Miracle Movement” to foster friendships among all Americans by bridging cultural and religious gaps. No forums and no teach-ins; just a chance for us all to get to know each other. Just one rule to follow: nurture old friendships and sow the seeds of new ones. AMV Foundation is striving to create a culture of peace, acceptance, mutual respect and harmony. Together we can build an inclusive, peaceful and beloved nation for our kids.

## **Fun for All**

Bring your family and friends and we will provide kosher and vegetarian hot dogs and hamburgers with chips and beverages. We will also provide ethnic Pakistani food. Kids activities and cultural experience.

*Most importantly we would like you to share your vision of our beloved, peaceful and inclusive nation through poems, essays, songs, skits or spoken words.*
